THE STATE OF TEXAS.

COUNTY OF UPSHUR.

TO THE HONORABLE COLLUSSIONERS COURT OF SAID COUNTY:

Your petitioner, Magnilia Gas Company, a corporation organized and existing under the laws of the State of Delaware, having a permit to do business in the State of Texas, and with its principal Texas office at Dallas, Texas, respectfully represents that it is now engaged in the transportation of natural gas, and has the authority to construct pipe lines for transporting such gas, as well as oil and other substances, through pipe lines, and that it desires to construct such lines, together with telegraph and telephone lines to be used in connection therewith, in the County of Upshur. That in the construction of such lines it will be necessary to pass over, along and under the public highways and places in said County at certain points.

Your petitioner, therefore, prays for permission to cross and pass over, along and under and to occupy the public roads and highways of said county in the laying, construction, operation and maintenance of said pipe lines and telegraph and telephone lines, and that an order be entered by this court granting such permission, it being understood that such improvements are to be so constructed as not unnecessarily to interfere with the public use of said roads, and that it will at all times conform to the orders of this Honorable Court Respectfully submitted.

MAGNOLIA GAS COMPANY. By Fred M Lege Jr.

۵

Ordered by the Court that right-of-way be granted Magnolia Pipe line Company according to attached specification and blue print, through Upshur County about 12 miles 5 of Gilmer running across the County West about 1 mile N of Big Sandy; Thence West to Wood County line.

On this the 14 day of February, came on to be heard, before the Commissioners: Court of Upshur County, the petition of Eagnolia Cas Company for permission to construct a system of pipe lines together with the necessary telegraph and telephone lines upon, across, over and under the public roads and highwalv5of said county, and the court having heard and considered the same, and being of the opinion that said petition should be granted,

IT IS ORDERED that said Magnolia Gas Company be and it is hereby permitted to construct

its said pipe lines for the transportation of such oil, gas and/or other substances upon, across, over and under the public roads and highways and public places in said county, as also necessary or proper telegraph and telephone lines to be used in connection with its said pipe lines, and to operate and maintain the same so long as they are used for the corporate purposes of said company; provided that such lines are to be constructed and such improvements made in such manner as to interfere as little as possible with the use of such roads by the public, and that said company shall at all times conform to the reasonable orders of this court in the construction, maintenance and operation of said lines.

And it is further ordered that in the laying of Gas or other pipe lines the top of the pipe shall be at least 12 inches beneath the surface of the margin of said roads and highways or the bottom of all drainage ditches and in all work same shall be done without disturbing or blocking traffic.

It is expressly provided that said pipe lines shall not be laid beneath the hard surface portion of said roads and highways except where it is necessary to lay the lines beneath said hard surface in crossing said roads or highways and then the crossing shall be effected without breaking or disturbing the hard surface portion of said roads or highways if it is practicable to do so;

If after the laying of said lines the width of any roads or highways should be changed it is expressly understood that grantee will move or lower at his own expense any line or lines on said changes road or highway as sequested by the Commissioners Court of Upshur County, Texas.

Should the grantee fail or refuse to repair or replace any portion of such roads or highways which he may dig up or disturb within a reasonable time the same may be replaced and restored by said County to as good conditions as before said disturbance at the expense of the grantee therein.

The same rights are granted to the grantee for the purpose of repairing and operating and maintaining said line; And in constructing, repairing, maintaining said line, and in constructing, repairing, maintaining and operating said line the grantee shall use every reasonable precaution to avoid damages or injuries to persons or property, and shall hold and save harmless the said County of Upshur from damage, injuries, loss or expense caused by the negligence or delay of said grantee in constructing fepairing and operating said lines or in re-surfacing or repairing any of said roads or highways.

The conditions before stated in granting the right-of-way to pipe lines for Gas, Oil or other substance herein before stipulated shall apply also to the necessary or proper telegraph and telephone lines to be used in connection with said pipe lifes when they apply
