UPSHUR COUNTY COMMISSIONERS COURT

GILMER, TEXAS

March 17, 1986

Commissioners Court met in Special Session with all members present.

Judge Dean dispensed with the reading of the minutes.

Derek D. Lancaster, Gerald K. Deen and Daron G. Lancaster of Diversified Consultants, Inc., 4825 LBJ Freeway Suite 190, Dallas, Tx. met with the Court regarding indigent care.

David Loyd suggested inviting other officials to attend the meeting. Elected officials attending were County Clerk, District Clerk, Tax Assessor/Collector, Sheriff, J. P. Pct. #1 and the District Attorney.

Mr. Deen stated rules have not changed. Payments are made according to medicaid - not medicare - standards. Effective Sept. 1, 1986 the law goes into effect. The counties are mandated where they do not have a county hospital to pay 10% of their gross tax revenue levy for indigent health care. If a county runs out of funds, the state has approximately three million dollars funded that the county can apply for. Then the state pays 80% and the county 20%. This is designed to limit county liability.

After lengthy discussion on indigent health care, Judge Dean said that Court was recessed.

ROW 2 - Upshur County - Gladewater, Texas - E6E1026. NO-JMF:bc

Formal notice is hereby given that General Telephone Company of the Southwest proposes to place a buried telephone cable along the right-of-way of a Upshur County Road.

Attached are three copies of Form ED-135, "Notice of Proposed Installation Buried Cable," with sketches showing in detail a more exact location of this proposed construction. The new cable to be placed within 5 feet of the right-of-way at all locations possible, and at a minimum depth of 30 inches.

General Telephone Company of the Southwest agrees to assume liability for any damage to the roadway and/or right-of-way which may be caused from this construction.

In the event subsequent construction in connection with the repair, widening or improvement of the present roadway may require the relocation of the cable, General Telephone of the Southwest will bear all the expense of such lowering, revamping or relocating of the facilities.
