Dear Judge Dean:

This refers to the creation of Upshur County Rural Fire Prevention District No. 1 and the procedures for conducting the May 5, 1990, special election, including fourteen consolidations of voting precincts and the polling places therefor, for the district in Upshur County, Texas, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act of 1965, as amended, 42 U.S.C. 1973c. We received your submission on April 2, 1990.

The Attorney General does not interpose any objections to the changes in question. However, we feel a responsibility to point out that Section 5 of the Voting Rights Act expressly provides that the failure of the Attorney General to object does not bar any subsequent judicial action to enjoin the enforcement of such changes. See the Procedures for the Administration of Section 5 (28 C.F.R. 51.41).

Dear Judge Dean:

During the May 24, 1990, meeting of the Texas Association of Counties Board of Directors, a resolution was passed requesting that the Postmaster General establish a "local government postal rate" for local governments as part of the U. S. Postal services' rate increase filing.

If the proposed postal increase passes, first class rates will increase from $.25 to $.30 and first class bulk rates will increase from $.21 to $.26. As you know, county governments provide essential services to local taxpayers such as voter registration cards, tax notices, jury summonses and pay, payments to indigent citizens and foster parents, as well as a number of payments on behalf of the federal government, which in essence pays no postage whatsoever. We believe that if this increase is passed, it will place an additional burden on your county's budget.

We are contacting all 254 counties regarding this issue, and have enclosed a resolution that we ask be presented at your next Commissioners' Court meeting. Should your court pass the resolution, we ask that you forward it to the Postmaster General, Anthony M. Frank, 475 L' Enfant Plaza, Washington, D.C., 20260-0010.

Thank you for your consideration. Should you have any questions, please feel free to contact me.

Yours very truly,

Sam

RESOLUTION

WHEREAS, the United States Postal Service has filed notice for an increase in postage rates to be effective upon the approval of all appropriate bodies, and

WHEREAS, such a postal increase will mandate a significant financial impact on local county governments who provide such essential local services as voter registration forms, jury duty summonses and pay, tax notices, payments for JTPA and other Federal or special service programs, and

WHEREAS, in essence, such a postal increase will thus be a form of "double taxation" on local taxpayers, for required governmental services, and

WHEREAS, the United States Postal Service and local county governments should be working toward the mutual benefit of local taxpayers

NOW, THEREFORE BE IT RESOLVED that the Upshur County Commissioners' Court does hereby urge the United States Postal Service to create a "local government postal rate" as part of its current rate filing in an effort to eliminate a potential federal mandate to increase local tax rates due to an increase in postal rates.

AGREEMENT FOR AUDIT OF FINANCIAL STATEMENTS

Agreement made as of June 11, 1990, between the County of Upshur (hereinafter called the "County") and Oakerson, Arnold, Walker & Co., Certified Public Accountants (hereinafter called the "Accountant").

In consideration of the mutual undertakings contained, the parties hereto agree as follows:

1. We will audit the financial statements of the County as of and for the period ended September 30, 1990, for the purpose of expressing an opinion on them. The financial statements are the responsibility of the County's management. Our responsibility is to express an opinion on the financial statements based on our audit.

2. Our audit will be a Single Audit made in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit will provide a reasonable basis for our opinion.

3. The Accountant shall perform the audit in the offices of the County.

4. The County shall make available to the Accountant all books, records, minutes, files and other documents necessary for the satisfactory completion of the audit.

5. The Accountant shall promptly bring to the attention of the Commissioner's Court any unusual conditions which may, in the opinion of the Accountant, require auditing or accounting services to exceed those contemplated by this Agreement. The Accountant shall not proceed with performance of the additional services required by such unusual conditions unless specifically authorized to do so by the Commissioner's Court.

6. Our audit is subject to the inherent risk that material errors, irregularities, or illegal acts, including fraud or defalcations, if they exist, will not be detected. However, we will inform the Commissioner's Court of any such matters that come to our attention.

AGREEMENT FOR AUDIT OF
FINANCIAL STATEMENT

June 11, 1990

7. At the conclusion of our audits, we will request certain written representations from you about the financial statements and matters related thereto.

8. The Accountant shall deliver fifteen copies of the audit report and management letter to the County.

9. The County shall pay the Accountant for services rendered a fee as follows:

Juvenile Probation Department	$450.00
County Audit	$6,350.00-$6,575.00

Fees will be billed as work progresses each month and due upon your receipt of our invoice.

10. Upon completion of the audit, at a time agreed upon by the Accountant and the County, the Accountant shall report orally the findings of the audit of the financial statements to the Commissioner's Court, if requested.

We are pleased to have this opportunity to serve you.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement all as of the day and year first above written.

VERIFICATION OF PETITION
LOCAL OPTION ELECTION

A petition for a local option election on the legal sale of beer and wine for off-premise consumption only was filed on June 1, 1990.

Whereas Section 251.10 of the Texas Alcoholic Beverage Code requires the Registrar of Voters to verify said petition and sets out the requirements for said petition.

Whereas Section 251.11 of the Alcoholic Beverage Code sets out the required number of signatures for the Commissioner's Court to call an election. Said requirement for Justice Precinct 5 for 1990 would be 553. After checking signatures and certificate numbers the Registrar counted 506 names on said petition. This count is less than the required number to call a local option election for this purpose.
