VOL 64 PG 873

We hereby amend the Upshur County budget for the fiscal year 2003 as set forth above according to the procedures outlined under Vernons Texas Codes Annotated Local Government Code, Chapter 111, Subchapter A Section 111.010.

The 2003 Upshur County budget is hereby so amended and we find and declare that a grave emergency and public necessity exists to meet unusual and unforeseen conditions which could not, by reasonably diligent thought and attention, have been included in the original 2003 budget as adopted.

A copy of this Order is to be filed with the County Clerk and attached to the budget originally adopted for 2003.

Signed on this 31st day of July, 2003

County Judge

Commissioner Precinct #1

Commissioner Precinct #2

Commissioner Precinct #3

Commissioner Precinct #4

Passed and approved by the Commissioners Court of Upshur County on the 31st day of July, 2003 as the same appears on file in the office of the County Clerk of Upshur County.

Memorandum

Date: July 22, 2003

To: Honorable Dean Fowler, County Judge

Cc: Upshur County Commissioners Court
File

From: Michael F. Wilson, P.E., County Engineer

Subject: Road & Bridge Department Grades/Steps

Previously, the commissioners court approved a revised employee grade and step classification. The interim county engineer had proposed to provide more consistency to the department for any future new hires I am proposing a small revision to the previous list and then to officially adjust all department employees to fit the grades and steps approved. The previous list did not include a grade for the position of mechanic. It also provided for a single grade for the position of foreman. I am proposing a new grade of 11 (eleven) for the position of mechanic. I am also recommending a grade of 16 (sixteen) instead of 19 for the position of the shop foreman due to the fact that the shop foreman supervises fewer employees than the other foreman positions supervise.

With these revisions, as the accompanying tables illustrate, all the department employees will be adjusted to their revised grades and steps with no change in salary save one mechanic position. This one position will be promoted from his current grade-step of 8-2 (light equipment operator) to 11-1 (mechanic) No other salary adjustments are required to adjust the remaining employees' grades and steps as shown.

LETTER AGREEMENT

Date: 7-21-03, ~~2002~~

This Letter Agreement is made and entered into by and between Upshur County, Texas, ("County") and _____, the owner or person legally entitled to possession of the above described property ("Property Owner").

RECITALS

WHEREAS, County is the possessor of certain dirt, silt, or other products of right-of-way dredging which County is desirous of disposing without unjustifiable transportation or stockpiling expenses; and

WHEREAS, Property Owner represents that he is the owner or legal possessor of the referenced property and is desirous of County disposing of said dirt, silt, or other dredging by-products upon Property Owner's property for Property Owner's utilization of the same; and

NOW, THEREFORE, in consideration of the mutual benefits to the parties hereto, the parties agree as follows:

1. Property Owner hereby expressly gives permission for County, through its Road Department, to enter on Property Owner's property, hereby authorizing necessary rights of ingress, egress and regress therefrom for the purpose of disposing of certain dirt, silt or other by-products of right-of-way dredging.

2. County agrees that it will use due care to avoid damage to Property Owner's land in the disposal of said materials upon Property Owner's property, nevertheless, Property Owner agrees that Upshur County and its agents disposing of these materials onto Property Owner's property will not be held responsible for any related damage in connection with said disposal of these materials onto Property Owner's land, and Property Owner hereby agree to indemnify and hold County harmless from contents of the dredged material and from any and all other damages to persons or property associated with County's placing said material on Property Owner's property.

3. Both parties agree that this letter agreement contains the parties' entire agreement.

LETTER AGREEMENT

Date: 7-21-03, 2002

This Letter Agreement is made and entered into by and between Upshur County, Texas, ("County") and Jason M. Nall, the owner or person legally entitled to possession of the above described property ("Property Owner").

RECITALS

WHEREAS, County is the possessor of certain dirt, silt, or other products of right-of-way dredging which County is desirous of disposing without unjustifiable transportation or stockpiling expenses; and

WHEREAS, Property Owner represents that he is the owner or legal possessor of the referenced property and is desirous of County disposing of said dirt, silt, or other dredging by-products upon Property Owner's property for Property Owner's utilization of the same; and

NOW, THEREFORE, in consideration of the mutual benefits to the parties hereto, the parties agree as follows:

1. Property Owner hereby expressly gives permission for County, through its Road Department, to enter on Property Owner's property, hereby authorizing necessary rights of ingress, egress and regress therefrom for the purpose of disposing of certain dirt, silt or other by-products of right-of-way dredging.

2. County agrees that it will use due care to avoid damage to Property Owner's land in the disposal of said materials upon Property Owner's property, nevertheless, Property Owner agrees that Upshur County and its agents disposing of these materials onto Property Owner's property will not be held responsible for any related damage in connection with said disposal of these materials onto Property Owner's land, and Property Owner hereby agree to indemnify and hold County harmless from contents of the dredged material and from any and all other damages to persons or property associated with County's placing said material on Property Owner's property.

3. Both parties agree that this letter agreement contains the parties' entire agreement.

PERMIT APPLICATION FOR USE OF UPSHUR COUNTY RIGHT OF WAY

TO: THE UPSHUR COUNTY COMMISSIONERS COURT
COUNTY OF UPSHUR
GILMER, TEXAS

PRECINCT 3 DATE July 16, 2003

Formal notice is hereby given that Charles Welch, whose principal address is 2078 Cherry Laurel, does hereby purpose to place a culvert within the ROW of County Road Aspen. The location and description of the proposed lines and appurtenances is more fully shown by three (3) copies of drawings attached to the application. Proposed construction will begin, if approved, on or after the 16th day of July, 2003. I, Charles Welch, hereby attest that I have read the conditions set forth in this application and understand its contents.

NAME: Charles Welch
TELEPHONE: 903 734 5253

APPROVAL OF PERMIT APPLICATION

The Upshur County Commissioners Court offers no objection to the location on the right of way of your proposed culvert as shown by accompanying drawings and notice dated July 16, 2003, except as noted below:

It is expressly understood that the Upshur County Commissioners Court does not purport, hereby, to grant any right, claim, title or easement in or upon this county road; it is further under-stood that in the future should for any reason Upshur County need to work, improve, relocate, widen, increase, add to or in any manner change the structure of this right of way, this appurtenance, if affected, will be moved under the direction of the Upshur County Commissioners Court representative and shall be relocated at the expense of the owner within thirty (30) days upon receipt of notice from the Commissioners Court.

All work on the County right of way shall be performed in accordance with the Commissioners Court instructions. The installation shall not damage any part of the roadway and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners. Specifications for placing this line are as follows:

1. Barricades, warning signs, lights and flag men when necessary shall be provided by the contractor or owner. One half of the traveled portion of the road must be open at all times.
2. All lines, where practicable, shall be located or cross roadbed at approximately right angles. No lines are to be installed under or within 50 feet of either end of any bridge. No lines shall be placed in any culvert or within 10 feet of the closest point of same.
3. Parallel lines will be installed as near the right of way lines as possible and no parallel line will be installed in the roadbed or between the drainage ditch and the roadbed without special permission of the County Commissioners Court.
4. Overhead lines will have minimum clearance of 18 feet above the road surface at the point of crossing.

5. Operations along roadways shall be performed in such a manner that all excavated material be kept off the surface at all times, as well as all operating equipment and materials. No equipment for installation procedures will be used which will damage any road surface, roadbed, structures or other right of way feature. Any expenditure that is a direction result of this installation will be borne by owner of this line.

6. All lines under roads carrying pressure in excess of 50psi shall be enclosed in satisfactory casing extending from the right of way line to right of way line. Pipe used for casing may be of any type approved by the County Engineer or Commissioners' Court and shall be capable of supporting load of roadbed and traffic and shall be so constructed that there will be no leakage of any matter through casing for its entire length; inside diameter of casings shall be at least 2 inches greater than the largest diameter of carrier pipe, joints or couplings.

7. All excavations within the right of way and not under surfacing shall be backfilled by tamping 6 inch horizontal layers.

8. Any material placed in County right of way by permit will be of a nature or composition that said line can be located with the use of a standard locator device used in locating buried cables and pipes.)

9. Lines crossing under roads and under cross roads within the right of way will be placed by boring. Boring shall extend from crown line to crown line. Gravity flow sewer lines under roadway will be cast iron or equivalent pipe.

10. Where evidence is presented indicating the impracticability of boring or tunneling, the Commissioners Court may grant permission to cut the surface no wider than 4 inches. In the event a cut is permitted the following conditions will govern: (a) Excavation areas are to be filled and packed with compatible material; (b) The surfacing will be replaced with equivalent quality surfacing.

11. Notice will be given to the precinct Commissioner 48 hours prior to starting construction of the line in his precinct.

12. Where in the opinion of the Commissioners Court it may be necessary to protect losses incurred by damage to the roads, bridges or right of way structure, they may by action of the Court require a surety bond in an amount sufficient to cover any damages.

13. Where, in the opinion of the Commissioners Court, an inspector is necessary, the party receiving permit will bear the cost of inspection.

APPROVAL OF PERMIT APPLICATION

The Upshur County Commissioners Court offers no objection to the location on the right of way of your proposed culvert as shown by accompanying drawings and notice dated July 24, 2003, except as noted below:

It is expressly understood that the Upshur County Commissioners Court does not purport, hereby, to grant any right, claim, title or easement in or upon this county road; it is further under-stood that in the future should for any reason Upshur County need to work, improve, relocate, widen, increase, add to or in any manner change the structure of this right of way, this appurtenance, if affected, will be moved under the direction of the Upshur County Commissioners Court representative and shall be relocated at the expense of the owner within thirty (30) days upon receipt of notice from the Commissioners Court.

All work on the County right of way shall be performed in accordance with the Commissioners Court instructions. The installation shall not damage any part of the roadway and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners. Specifications for placing this line are as follows:

1. Barricades, warning signs, lights and flag men when necessary shall be provided by the contractor or owner. One half of the traveled portion of the road must be open at all times.
2. All lines, where practicable, shall be located or cross roadbed at approximately right angles. No lines are to be installed under or within 50 feet of either end of any bridge. No lines shall be placed in any culvert or within 10 feet of the closest point of same.
3. Parallel lines will be installed as near the right of way lines as possible and no parallel line will be installed in the roadbed or between the drainage ditch and the roadbed without special permission of the County Commissioners Court.
4. Overhead lines will have minimum clearance of 18 feet above the road surface at the point of crossing.

5. Operations along roadways shall be performed in such a manner that all excavated material be kept off the surface at all times, as well as all operating equipment and materials. No equipment for installation procedures will be used which will damage any road surface, roadbed, structures or other right of way feature. Any expenditure that is a direction result of this installation will be borne by owner of this line.
6. All lines under roads carrying pressure in excess of 50psi shall be enclosed in satisfactory casing extending from the right of way line to right of way line. Pipe used for casing may be of any type approved by the County Engineer or Commissioners' Court and shall be capable of supporting load of roadbed and traffic and shall be so constructed that there will be no leakage of any matter through casing for its entire length; inside diameter of casings shall be at least 2 inches greater than the largest diameter of carrier pipe, joints or couplings.
7. All excavations within the right of way and not under surfacing shall be backfilled by tamping 6 inch horizontal layers.
8. Any material placed in County right of way by permit will be of a nature or composition that said line can be located with the use of a standard locator device used in locating buried cables and pipes.)
9. Lines crossing under roads and under cross roads within the right of way will be placed by boring. Boring shall extend from crown line to crown line. Gravity flow sewer lines under roadway will be cast iron or equivalent pipe.
10. Where evidence is presented indicating the impracticability of boring or tunneling, the Commissioners Court may grant permission to cut the surface no wider than 4 inches. In the event a cut is permitted the following conditions will govern: (a) Excavation areas are to be filled and packed with compatible material; (b) The surfacing will be replaced with equivalent quality surfacing.
11. Notice will be given to the precinct Commissioner 48 hours prior to starting construction of the line in his precinct.
12. Where in the opinion of the Commissioners Court it may be necessary to protect losses incurred by damage to the roads, bridges or right of way structure, they may by action of the Court require a surety bond in an amount sufficient to cover any damages.
13. Where, in the opinion of the Commissioners Court, an inspector is necessary, the party receiving permit will bear the cost of inspection.

APPROVED ON THIS 31 DAY OF July, 2002.

LETTER AGREEMENT

Date: 7-28-01, 2002

This Letter Agreement is made and entered into by and between Upshur County, Texas, ("County") and DARREN SOSEBEE, the owner or person legally entitled to possession of the above described property ("Property Owner").

RECITALS

WHEREAS, County is the possessor of certain dirt, silt, or other products of right-of-way dredging which County is desirous of disposing without unjustifiable transportation or stockpiling expenses; and

WHEREAS, Property Owner represents that he is the owner or legal possessor of the referenced property and is desirous of County disposing of said dirt, silt, or other dredging by-products upon Property Owner's property for Property Owner's utilization of the same; and

NOW, THEREFORE, in consideration of the mutual benefits to the parties hereto, the parties agree as follows:

1. Property Owner hereby expressly gives permission for County, through its Road Department, to enter on Property Owner's property, hereby authorizing necessary rights of ingress, egress and regress therefrom for the purpose of disposing of certain dirt, silt or other by-products of right-of-way dredging.

2. County agrees that it will use due care to avoid damage to Property Owner's land in the disposal of said materials upon Property Owner's property, nevertheless, Property Owner agrees that Upshur County and its agents disposing of these materials onto Property Owner's property will not be held responsible for any related damage in connection with said disposal of these materials onto Property Owner's land, and Property Owner hereby agree to indemnify and hold County harmless from contents of the dredged material and from any and all other damages to persons or property associated with County's placing said material on Property Owner's property.

3. Both parties agree that this letter agreement contains the parties' entire agreement.

ORDER OF THE UPSHUR COUNTY COMMISSIONER'S COURT

THE UPSHUR COUNTY COMMISSIONER'S COURT HEREBY ORDERS THE FOLLOWING VOTING PRECINCT CHANGES:

Precinct #2 West Mountain – The precinct line beginning at the north intersection of U. S. Highway 271 and Pacal Road to the south intersection of U. S. Highway 271 and Pacal Road is moved east forming a new boundary for the precinct following along U. S. Highway 271. This action is taken in order to include the West Mountain Fire Department building in which voting in this precinct has traditionally taken place. This change affects approximately two African American potential voters.

Precinct #20 Latch – The precinct line following FM 1795 and passing west of Live Oak Road is moved to follow Live Oak Road east three hundred feet beginning at FM 1795, thence north two hundred and fifty feet, thence west approximately two hundred feet back to FM 1795. The voting box in this precinct shall be located in the Latch Community Center building. This action is taken in order to include the Latch Community Center building, in which voting in this precinct has traditionally taken place, within the boundaries of the precinct. No potential voter is affected by this change.

Precinct #15 Northwest Gilmer – The voting box is hereby moved approximately two hundred feet west from the Upshur County Activities Building, which was destroyed by fire on March 1, 2003, to the Upshur County Library. This order does not affect any boundary line of the precinct.

RE: Change in Voting Precinct Boundaries, Upshur County, Texas

Dear Sir:

Please find enclosed a certified copy of the Upshur County Commissioners Court minutes for March 21, 2003 and other pertinent materials, information, etc. relating to the Court's unanimous vote to change the voting precinct lines in the West Mountain and Latch voting districts and the polling location in Northwest Gilmer. These changes are all made subject to approval by the Civil Rights Division of the U. S. Department of Justice, Washington, D.C.

Also enclosed is an order of the Upshur County Commissioners Court explaining the reasons the changes are requested.

The required notices have been accomplished without any objections from residents, either verbally or in writing

These changes are to become effective immediately.

Please review this information and reply as soon as possible. Thank you for your attention to this matter.

Respectfully submitted,

Dean Fowler

Dear Judge Fowler:

This refers to the realignment of voting precincts and the polling place change for Upshur County, Texas, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. 1973c. We received your submission on June 9, 2003.

The Attorney General does not interpose any objection to the specified changes. However, we note that Section 5 expressly provides that the failure of the Attorney General to object does not bar subsequent litigation to enjoin the enforcement of the changes. In addition, as authorized by Section 5, we reserve the right to reexamine this submission if additional information that would otherwise require an objection comes to our attention during the remainder of the sixty-day review period. See the Procedures for the Administration of Section 5 (28 C.F.R. 51.41 and 51.43).

Sincerely,

Joseph D. Rich
Chief, Voting Section

Re: Parks Board Allocations

Dear Judge Fowler:

In reference to my letter dated March 19, 2003, requesting allocations of $3,230.00 for the Upshur County Parks Board, it was decided in commissioners court to allow $1500.00 of this money to go to the Big Sandy park, which leaves $1730.00 in the allocation account.

I am asking that this be funded to the Gilmer Area Chamber of Commerce Parks Board fund in order that we may restore some of our park equipment.

Thank you in advance for your consideration.

Sincerely,

Joan Small, Treasurer

COUNTY ROAD EASEMENT

THE STATE OF TEXAS)

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF UPSHUR)

That Stephen A. and Rosa Spiers, (hereinafter called "Grantor(s)/Owner(s)") for and in consideration of the sum of One Dollar ($1.00) to Grantor(s)/Owner(s) in hand paid by Upshur County, through its Road Department, the receipt of which is hereby acknowledged, and for which no lien is retained, and in consideration of the terms and conditions contained herein, does/do hereby grant, sell and convey unto Upshur County, Texas, (hereinafter called "Grantee/ County"), an easement for the expansion, construction and maintenance of existing County Road Magnolia Road, with drainage ditches, culverts and entrances (hereinafter called "County Road"), a distance of approximately 660 feet of right of way as described in Exhibit " A " attached hereto and made a part hereof, being approximately 30 feet on either or both sides of the centerline of the County Road as further described in Exhibit "A".

Grantor(s)/Owner(s) further grant, sell and convey unto Grantee/County an easement over, under and across Grantor(s)/Owner(s)' property immediately adjacent to said 60-foot strip as may be necessary for the construction and/or maintenance of the County Road.

Grantee/County shall have the right to cut and trim trees or shrubbery which may encroach upon the easement area herein conveyed and Grantee/County shall dispose of all cuttings and trimmings either by piling and burning within the easement area or by loading and hauling away from the premises.

This easement, rights and privileges herein granted shall be perpetual with Grantor/Owner(s) binding themselves, their heirs and legal representative, to warrant and forever defend the easement and rights unto Grantee/County, its successors and assigns against every person lawfully claiming or to claim same or any part thereof.

TO HAVE AND TO HOLD this easement unto Grantee/County subject, however, to the conditions, covenants and agreements to be kept, observed and performed by Grantee/County as follows:

☐ Grantee/County, through its Road Department, agrees to replace Grantor(s)/Owner(s)' existing fence with Grantee's/County's standard fence, along the right-of-way line to serve the abutting property needs. A diagram and description of the fence is attached hereto as Exhibit "B" and incorporated herein for all purposes; or

☐ Grantee/County hereby acknowledges that Grantor(s)' /Owner(s)' existing fence exceeds Grantee's/County's standard fence and Grantee/County, through its Road Department agrees to replace Grantor(s)'/Owner(s)' fence with the same type of fence as is attached hereby as Exhibit "B" and incorporated herein for all purposes; or

☐ Grantee/County agrees to pay Grantor(s)/Owner(s) zero dollars and seventy-five cents ($0.75) per linear foot as additional consideration so as to defray the anticipated cost of Grantor(s)/Owner(s) replacing said existing fence.

It is expressly understood and agreed between the parties that should Grantee/County replace fencing by virtue of this easement agreement, the replacement fence shall be the property of Grantor(s)/Owner(s) and Grantee County will not be liable or in any way responsible for any reconstruction, maintenance or adjustment whatsoever with regard to such fencing.

As additional consideration for said easement, Grantee/County agrees to relocate existing driveway culverts, when necessary, or, if the existing driveway culverts cannot be moved agrees to furnish a new driveway culvert
