SPECIAL ROAD USE AGREEMENT CONTRACT

THE STATE OF TEXAS }

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF UPSHUR }

The undersigned, ALLEN JOHNSTON, hereinafter referred to as First Party, enters into and makes an agreement with Upshur County Commissioner of Precinct No. 2, Upshur County, and in order to get material to market it is necessary to use a portion of Upshur County Roads located in Precinct No. 2, over which Commissioner has jurisdiction and obligation to maintain in good repair, and both parties being aware of possible damage to said roads as result of hauling on and over same, enter into the following agreement:

1.

First Party agrees to use only that section of (described exact route, direction and miles in tenths) Approximately 3 miles on Petunia Road.

2.

First Party agrees to use its vehicles in such a manner as not to block or interfere with other traffic on said road, so that said road will be open to travel by the public at all times.

3.

First Party agrees to grade, maintain and otherwise repair said road, using its own equipment, labor and materials, if any needed, during the duration of time that First Party is removing logs from lands located in Precinct No. 2, Upshur County.

4.

First Party agrees to put said road back into same condition as it was prior to the commencement of hauling operations on the part of First Party.

5.

First Party agrees to post survey bond in the amount of $-0-, to Upshur County Commissioners' Court to insure performance of agreement.

6.

Nothing herein shall be construed as a waiver by the Commissioner of the authority granted him by Article 6716 , V.A.C.S., but the rights and authority granted the Commissioner by the terms of Article 6716, V.A.C.S. are expressly reserved by the Commissioner in the event First Party fails to abide by the conditions above set forth.

PERMIT APPLICATION FOR USE OF UPSHUR COUNTY RIGHT OF WAY

TO: THE UPSHUR COUNTY COMMISSIONERS COURT
COUNTY OF UPSHUR
GILMER, TEXAS

PRECINCT NO. 3 DATE: March 10, 2010

Formal notice is hereby given that RONALD KULAK, whose principal address is 1929 Juniper Rd., Big Sandy, TX 75755, does hereby purpose to place a culvert within the ROW of County Road Juniper. The location and description of the proposed lines and appurtenances is more fully shown by three (3) copies of drawings attached to the application. Proposed construction will begin, if approved, on or after the 15th day of March, 2010. I, Ronald Kulak , hereby attest that I have read the conditions set forth in this application and understand its contents.

NAME: Ronald Kulak
TELEPHONE: 903-720-9504

APPROVAL OF PERMIT APPLICATION

The Upshur County Commissioners Court offers no objection to the location on the right of way of your proposed culvert as shown by accompanying drawings and notice dated above, except as noted below:

It is expressly understood that the Upshur County Commissioners Court does not purport, hereby, to grant any right, claim, title or easement in or upon this county road; it is further understood that in the future should for any reason Upshur County need to work, improve, relocate, widen, increase, add to or in any manner change the structure of this right of way, this appurtenance, if affected, will be moved under the direction of the Upshur County Commissioners Court representative and shall be relocated at the expense of the owner within thirty (30) days upon receipt of notice from the Commissioners Court.

All work on the County right of way shall be performed in accordance with the Commissioners Court instructions. The installation shall not damage any part of the roadway and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners. Specifications for placing this line are as follows:

1. Barricades, warning signs, lights and flag men when necessary shall be provided by the contractor or owner. One half of the traveled portion of the road must be open at all times.
2. All lines, where practicable, shall be located or cross roadbed at approximately right angles. No lines are to be installed under or within 50 feet of either end of any bridge. No lines shall be placed in any culvert or within 10 feet of the closest point of same.
3 Parallel lines will be installed as near the right of way lines as possible and no parallel line will be installed in the roadbed or between the drainage ditch and the roadbed without special permission of the County Commissioners Court.
4. Overhead lines will have minimum clearance of 18 feet above the road surface at the point of crossing.

5. Operations along roadways shall be performed in such a manner that all excavated material be kept off the surface at all times, as well as all operating equipment and materials. No equipment for installation procedures will be used which will damage any road surface, roadbed, structures or other right of way feature. Any expenditure that is a direction result of this installation will be borne by owner of this line.
6. All lines under roads carrying pressure in excess of 50psi shall be enclosed in satisfactory casing extending from the right of way line to right of way line. Pipe used for casing may be of any type approved by the County Engineer or Commissioners' Court and shall be capable of supporting load of roadbed and traffic and shall be so constructed that there will be no leakage of any matter through casing for its entire length; inside diameter of casings shall be at least 2 inches greater than the largest diameter of carrier pipe, joints or couplings.
7. All excavations within the right of way and not under surfacing shall be backfilled by tamping 6 inch horizontal layers.
8. Any material placed in County right of way by permit will be of a nature or composition that said line can be located with the use of a standard locator device used in locating buried cables and pipes.)
9. Lines crossing under roads and under cross roads within the right of way will be placed by boring. Boring shall extend from crown line to crown line. Gravity flow sewer lines under roadway will be cast iron or equivalent pipe.
10. Where evidence is presented indicating the impracticability of boring or tunneling, the Commissioners Court may grant permission to cut the surface no wider than 4 inches. In the event a cut is permitted the following conditions will govern: (a) Excavation areas are to be filled and packed with compatible material; (b) The surfacing will be replaced with equivalent quality surfacing.
11. Notice will be given to the precinct Commissioner 48 hours prior to starting construction of the line in his precinct.
12. Where in the opinion of the Commissioners Court it may be necessary to protect losses incurred by damage to the roads, bridges or right of way structure, they may by action of the Court require a surety bond in an amount sufficient to cover any damages.
13. Where, in the opinion of the Commissioners Court, an inspector is necessary, the party receiving permit will bear the cost of inspection.

APPROVED ON THIS 15 day of MARCH, 2010.

5. Operations along roadways shall be performed in such a manner that all excavated material be kept off the surface at all times, as well as all operating equipment and materials. No equipment for installation procedures will be used which will damage any road surface, roadbed, structures or other right of way feature. Any expenditure that is a direction result of this installation will be borne by owner of this line.
6. All lines under roads carrying pressure in excess of 50psi shall be enclosed in satisfactory casing extending from the right of way line to right of way line. Pipe used for casing may be of any type approved by the County Engineer or Commissioners' Court and shall be capable of supporting load of roadbed and traffic and shall be so constructed that there will be no leakage of any matter through casing for its entire length; inside diameter of casings shall be at least 2 inches greater than the largest diameter of carrier pipe, joints or couplings.
7. All excavations within the right of way and not under surfacing shall be backfilled by tamping 6 inch horizontal layers.
8. Any material placed in County right of way by permit will be of a nature or composition that said line can be located with the use of a standard locator device used in locating buried cables and pipes.)
9. Lines crossing under roads and under cross roads within the right of way will be placed by boring. Boring shall extend from crown line to crown line. Gravity flow sewer lines under roadway will be cast iron or equivalent pipe.
10. Where evidence is presented indicating the impracticability of boring or tunneling, the Commissioners Court may grant permission to cut the surface no wider than 4 inches. In the event a cut is permitted the following conditions will govern: (a) Excavation areas are to be filled and packed with compatible material; (b) The surfacing will be replaced with equivalent quality surfacing.
11. Notice will be given to the precinct Commissioner 48 hours prior to starting construction of the line in his precinct.
12. Where in the opinion of the Commissioners Court it may be necessary to protect losses incurred by damage to the roads, bridges or right of way structure, they may by action of the Court require a surety bond in an amount sufficient to cover any damages.
13. Where, in the opinion of the Commissioners Court, an inspector is necessary, the party receiving permit will bear the cost of inspection.

APPROVED ON THIS 15 DAY OF March, 2010.

UPSHUR COUNTY, TX.
BY _____ DEPUTY

TO: THE UPSHUR COUNTY COMMISSIONERS COURT
COUNTY OF UPSHUR
GILMER, TEXAS

PRECINCT 1 DATE March 10, 2010

Formal notice is hereby given that E. G. Carter, whose principal address is 7412 Wildwood, does hereby purpose to place a culvert within the ROW of County Road Wildwood. The location and description of the proposed lines and appurtenances is more fully shown by three (3) copies of drawings attached to the application. Proposed construction will begin, if approved, on or after the 15th day of March, 2010 I, E. G. Carter, hereby attest that I have read the conditions set forth in this application and understand its contents.

SIGNATURE: Edwin G. Carter
TELEPHONE: 903-734-5025

APPROVAL OF PERMIT APPLICATION

The Upshur County Commissioners Court offers no objection to the location on the right of way of your proposed culvert as shown by accompanying drawings and notice dated March 10, 2010, except as noted below:

It is expressly understood that the Upshur County Commissioners Court does not purport, hereby, to grant any right, claim, title or easement in or upon this county road; it is further under-stood that in the future should for any reason Upshur County need to work, improve, relocate, widen, increase, add to or in any manner change the structure of this right of way, this appurtenance, if affected, will be moved under the direction of the Upshur County Commissioners Court representative and shall be relocated at the expense of the owner within thirty (30) days upon receipt of notice from the Commissioners Court.

All work on the County right of way shall be performed in accordance with the Commissioners Court instructions. The installation shall not damage any part of the roadway and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners. Specifications for placing this line are as follows:

1. Barricades, warning signs, lights and flag men when necessary shall be provided by the contractor or owner. One half of the traveled portion of the road must be open at all times.
2. All lines, where practicable, shall be located or cross roadbed at approximately right angles. No lines are to be installed under or within 50 feet of either end of any bridge. No lines shall be placed in any culvert or within 10 feet of the closest point of same.
3. Parallel lines will be installed as near the right of way lines as possible and no parallel line will be installed in the roadbed or between the drainage ditch and the roadbed without special permission of the County Commissioners Court.
4. Overhead lines will have minimum clearance of 18 feet above the road surface at the point of crossing.

INTERLOCAL AGREEMENT

THIS INTERLOCAL AGREEMENT is entered between the County of Upshur, acting by and through its Commissioners' Court for Upshur County, hereinafter referred to as "Upshur County" and Union Hill ISD, hereinafter referred to as "Union Hill ISD." Upshur County and Union Hill ISD do hereby jointly agree to the following obligations:

RESPONSIBILITY OF UPSHUR COUNTY: Subject to current funding, provide the equipment, manpower and actual performance of the construction, improvement, maintenance of repair of roads within the boundaries of Union Hill ISD located in Upshur County.

RESPONSIBILITY OF UNION HILL ISD: Pay for and provide the materials needed to construct, improve, maintain or repair roads within the boundaries of Union Hill ISD, including but not limited to sand, clay, oil dirt and gravel. Such construction, improvement, maintenance or repair of said roads shall progress from time to time as work needs to be done.

Upshur County and Union Hill ISD agree that County road projects will take priority over this project.

This Agreement will continue unless terminated by either party by giving the other party at least thirty (30) days prior written notice. Upon mailing such notice by certified mail, return receipt requested, the party giving said notice shall not be liable for any cost thereafter incurred by the other party.

Each party hereby releases, acquits and discharges the other party from any liability, known or unknown, accrued or to accrue, involving damages or injury caused by, or to, the employees, representatives and agents of the other party.

No amendment, modification or alteration of the terms of this Agreement shall be binding unless the same be in writing, dated, subsequent to the date of this Agreement, and duly executed by the parties to this Agreement.

In case anyone or more of the provisions contained in this Agreement for any reason shall be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement. This Agreement will be construed as if the invalid, illegal or unenforceable provision had never been contained in this Agreement.

IN WITNESS THEREOF, this Agreement is executed effective the 22 day of February, 2010, by the officials hereunto duly authorized, in duplicate, either copy of which shall have the force and effect of an original.

THIS INTERLOCAL AGREEMENT is entered between the County of Upshur, acting by and through its Commissioners' Court for Upshur County, hereinafter referred to as "Upshur County" and the City of Gladewater, hereinafter referred to as "Gladewater." Upshur County and Gladewater do hereby jointly agree to the following obligations:

RESPONSIBILITY OF UPSHUR COUNTY: Subject to current funding, provide the equipment, manpower and actual performance of the construction, improvement, maintenance of repair of roads within the boundaries of Gladewater located in Upshur County.

RESPONSIBILITY OF GLADEWATER: Pay for and provide the materials needed to construct, improve, maintain or repair roads within the boundaries of Gladewater, including but not limited to sand, clay, oil dirt and gravel. Such construction, improvement, maintenance or repair of said roads shall progress from time to time as work needs to be done.

Upshur County and Gladewater agree that County road projects will take priority over this project.

This Agreement will continue unless terminated by either party by giving the other party at least thirty (30) days prior written notice. Upon mailing such notice by certified mail, return receipt requested, the party giving said notice shall not be liable for any cost thereafter incurred by the other party.

Each party hereby releases, acquits and discharges the other party from any liability, known or unknown, accrued or to accrue, involving damages or injury caused by, or to, the employees, representatives and agents of the other party.

No amendment, modification or alteration of the terms of this Agreement shall be binding unless the same be in writing, dated, subsequent to the date of this Agreement, and duly executed by the parties to this Agreement.

In case anyone or more of the provisions contained in this Agreement for any reason shall be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement. This Agreement will be construed as if the invalid, illegal or unenforceable provision had never been contained in this Agreement.

IN WITNESS THEREOF, this Agreement is executed effective the _____ day of _____, 2010, by the officials hereunto duly authorized, in duplicate, either copy of which shall have the force and effect of an original.
