AUTHORIZED REPRESENTATIVE

All policies (except Workers' Compensation/EL) include a blanket automatic Additional Insured endorsement [provision] that confers Additional Insured status to the certificate holder only if there is a written contract between the named insured and the certificate holder that requires the named insured to name the certificate holder as an Additional Insured. In the absence of such a contractual obligation on the part of the named insured, the certificate holder is not an Additional Insured under the policy. The insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

All policies include a blanket automatic Waiver of Subrogation endorsement [provision] that provides this feature only when there is a written contract between the named insured and the certificate holder that requires it. In the absence of such a contractual obligation on the part of the named insured, the Waiver of Subrogation feature does not apply.
