

Petition to the Commissioner's Court

The purpose of this petition is to bring to the attention of the court the SAD STATE of the Infrastructure in Precinct 1.

Greenhill, Penguin, Goldfinch, Turkey, Glenwood Roads need a complete makeover. Some have not been resurfaced in 35 YEARS.

A shovel or two of oil dirt is not enough to fix the problems. The wear and tear on our school buses and citizens vehicles is UNACCEPTIBLE.

With the first rain, it is washed out, and time and money are wasted. Drainage should be addressed, so that when a road is resurfaced that it will last.

The "POWERS THAT BE" said a grant would be received for the Road and Bridge in July of 2020, and that it would be used in our area, only to have "POWERS" say that it is not in need of a makeover.

As long as there is a Road and Bridge Unit, there needs to be checks and balances of anything that goes on in the Road and Bridge unit and Administrator.

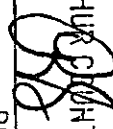

If Upshur County only has a small budget for Road and Bridge, it may have to be reconsidered and put back into the Commissioners Court.

I would hope that a large percentage, if not all of the funds given by the Biden Administration will go towards our roads. Wouldn't it be nice to claim that we have the BEST roads in the state of Texas!

We, in Precinct 1 are tired of being the step children of Upshur County!

The work that is done on our roads now is a waste of time and our taxpayers money!!

We, the undersigned taxpayers respectfully come to you requesting that whatever changes in the Road and Bridge section of the court be done, so that the whole of Upshur County can have better roads.
