Justification for TFC – Donation of surplus items to *Upshur County Pct 4*

Due to the recent pandemic and the loss of business associated with its restrictions, local governments are looking for ways to save money without burdening the tax payer or taking away from other community programs. The law enforcement agencies that serve these communities have asked for our assistance in providing them with surplus equipment. This equipment is still functional and will provide these small departments with the tools they need to protect their communities at little or no cost. This act of good will would be in the best interest of the state and also to the people we serve.

DPS requests permission to donate the items listed below to the *Upshur County Pct 4*

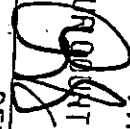

Asset Numbers

Cameras: 495677, 495664, 486792, 486650
