- F. Method of Payment: Tenant must pay all rent timely without demand, deduction, or offset, except as permitted by law or this lease. If Tenant fails to timely pay any amounts due under this lease or if any check of Tenant is returned to Landlord by the institution on which it was drawn, Landlord after providing written notice to Tenant may require Tenant to pay subsequent amounts that become due under this lease in certified funds. This paragraph does not limit Landlord from seeking other remedies under this lease for Tenant's failure to make timely payments with good funds.
- G. Late Charges: If Landlord does not actually receive a rent payment at the designated place of payment within 5 days after the date it is due, Tenant will pay Landlord a late charge equal to 10% of the amount due. Notwithstanding the foregoing, CAM does include the amortized costs incurred by Landlord in making capital improvements or other modifications to the Property to the extent such improvements or modifications reduce CAM overall. These costs will be amortized over the useful life of the improvement or modification on a straight-line basis; however, in no event will the charge for such amortization included in CAM exceed the actual reduction in CAM achieved by the improvements and modifications.

(c) "Insurance" means Landlord's costs to insure the leased premises and the Property including but not limited to insurance for casualty loss, general liability, and reasonable rent loss.

The projected expenses are based on Landlord's estimates of such expenses. The actual expenses may vary.

Notice: The applicable projected expenses at the time the lease commences are shown in the table below. The total area of the Property presently used by Landlord for calculating expense reimbursements is \_\_\_\_\_ rentable square feet (including any add on factor for common areas).

(5) Reconciliation: Within 120 days after the end of each calendar year, Landlord will notify Tenant of the actual costs of the applicable expenses (those that Tenant is to pay under this lease) for the previous year. If the actual costs of the applicable expenses exceed the amounts paid or owed by Tenant for the previous year, Tenant must pay the deficient amount to Landlord within 30 days after Landlord notifies Tenant of the deficient amount. If the actual costs of the applicable expenses are less than the amounts paid by Tenant for the previous year, Landlord will refund the excess to Tenant or will credit the excess to Tenant's next rent payment(s). Tenant may audit or examine those items in Landlord's records that relate to Tenant's obligations under this Paragraph 4J. Landlord will promptly refund to Tenant any overpayment revealed by an audit or examination. If the audit or examination reveals an error of more than 5% over the amounts Landlord collected in a calendar year from Tenant under this lease, Landlord will pay the reasonable cost of the audit or examination. Landlord may not seek a deficiency from Tenant under this paragraph if Landlord fails to timely provide the required notice.

- F. Common Areas: Landlord will maintain any common areas in the Property in a manner as Landlord determines to be in the best interest of the Property. Landlord will maintain any elevator and signs in the common area. Landlord may change the size, dimension, and location of any common areas, or allocate areas for short term or reserved parking for specific tenants, provided that such change does not materially impair Tenant's use and access to the leased premises. Tenant has the non-exclusive license to use the common areas in compliance with Landlord's rules and regulations. Tenant may not solicit any business in the common areas or interfere with any other person's right to use the common areas. This paragraph does not apply if Paragraph 2A(2) applies.
- G. Notice of Repairs: Tenant must promptly notify Landlord of any item that is in need of repair and that is Landlord's responsibility to repair. All requests for repairs to Landlord must be in writing.
- H. Failure to Repair: Landlord must make a repair for which Landlord is responsible within a reasonable period of time after Tenant provides Landlord written notice of the needed repair. If Tenant fails to repair or maintain an item for which Tenant is responsible within 10 days after Landlord provides Tenant written notice of the needed repair or maintenance, Landlord may: (1) repair or maintain the item, without liability for any damage or loss to Tenant, and Tenant must immediately reimburse Landlord for the cost to repair or maintain; or (2) exercise Landlord's remedies under Paragraph 20.

#### 16. ALTERATIONS:

- A. Tenant may not alter (including making any penetrations to the roof, exterior walls or foundation), improve, or add to the Property or the leased premises without Landlord's written consent. Landlord will not unreasonably withhold consent for the Tenant to make reasonable non-structural alterations, modifications, or improvements to the leased premises.
- B. Tenant may not alter any locks or any security devices on the Property or the leased premises without Landlord's consent. If Landlord authorizes the changing, addition, or rekeying of any locks or other security devices, Tenant must immediately deliver the new keys and access devices to Landlord.
- C. If a governmental order requires alteration or modification to the leased premises, the party obligated to maintain and repair the item to be modified or altered as designated in Paragraph 15 will, at its expense, modify or alter the item in compliance with the order and in compliance with Paragraphs 16A and 17.
- D. Any alterations, improvements, fixtures or additions to the Property or leased premises installed by either party during the term of this lease will become Landlord's property and must be surrendered to Landlord at the time this lease ends, except for those fixtures Landlord requires Tenant to remove under Paragraph 11 or 14 or if the parties agree otherwise in writing.
17. **LIENS**: Tenant may not do anything that will cause the title of the Property or leased premises to be encumbered in any way. If Tenant causes a lien to be filed against the Property or leased premises, Tenant will within 20 days after receipt of Landlord's demand: (1) pay the lien and have the lien released of record; or (2) take action to discharge the lien. Tenant will provide Landlord a copy of any release Tenant obtains pursuant to this paragraph.

18. **LIABILITY**: To the extent permitted by law, Landlord is NOT responsible to Tenant or Tenant's employees, patrons, guests, or invitees for any damages, injuries, or losses to person or property caused by:

- A. an act, omission, or neglect of: Tenant; Tenant's agent; Tenant's guest; Tenant's employees; Tenant's patrons; Tenant's invitees; or any other tenant on the Property:

**19. INDEMNITY:** Each party will indemnify, defend, and hold the other party harmless from any property damage, personal injury, suits, actions, liabilities, damages, cost of repairs or service to the leased premises or Property, or any other loss caused, negligently or otherwise, by that party or that party's employees, patrons, guests, or invitees.

**20. DEFAULT:**

A. If Landlord fails to comply with this lease within 30 days after Tenant notifies Landlord of Landlord's failure to comply, Landlord will be in default and Tenant may seek any remedy provided by law. If, however, Landlord's non-compliance reasonably requires more than 30 days to cure, Landlord will not be in default if the cure is commenced within the 30-day period and is diligently pursued.

B. If Landlord does not actually receive at the place designated for payment any rent due under this lease within 5 days after it is due, Tenant will be in default. If Tenant fails to comply with this lease for any other reason within 20 days after Landlord notifies Tenant of its failure to comply, Tenant will be in default.

C. If Tenant is in default, Landlord may, with at least <sup>(Ten)</sup>10 days written notice to Tenant: (i) terminate this lease, or (ii) terminate Tenant's right to occupy the leased premises without terminating this lease and may accelerate all rents which are payable during the remainder of this lease or any renewal period. Landlord will attempt to mitigate any damage or loss caused by Tenant's breach by using commercially reasonable means. If Tenant is in default, Tenant will be liable for:

- (1) any lost rent;
- (2) Landlord's cost of reletting the leased premises, including brokerage fees, advertising fees, and other fees necessary to relet the leased premises;
- (3) repairs to the leased premises for use beyond normal wear and tear;
- (4) all Landlord's costs associated with eviction of Tenant, such as attorney's fees, court costs, and prejudgment interest;
- (5) all Landlord's costs associated with collection of rent such as collector fees, late charges, and returned check charges;
- (6) cost of removing any of Tenant's equipment or fixtures left on the leased premises or Property;
- (7) cost to remove any trash, debris, personal property, hazardous materials, or environmental contaminants left by Tenant or Tenant's employees, patrons, guests, or invitees in the leased premises or Property;
- (8) cost to replace any unreturned keys or access devices to the leased premises, parking areas, or Property; and
- (9) any other recovery to which Landlord may be entitled under this lease or under law.

**21. ABANDONMENT, INTERRUPTION OF UTILITIES, REMOVAL OF PROPERTY, AND LOCKOUT:**

Chapter 93 of the Texas Property Code governs the rights and obligations of the parties with regard to:

- (a) abandonment of the leased premises; (b) interruption of utilities; (c) removal of Tenant's property; and (d) "lock-out" of Tenant.

**22. HOLDOVER:** If Tenant fails to vacate the leased premises at the time this lease ends, Tenant will become a tenant-at-will and must vacate the leased premises immediately upon receipt of demand from Landlord. No holding over by Tenant, with or without the consent of Landlord, will extend this lease. Tenant will indemnify Landlord and any prospective tenants for any and all damages caused by the holdover. any holdover period will be 150% of the base monthly rent plus any additional rent calculated on a daily basis and will be immediately due and payable daily without notice or demand.

**23. LANDLORD'S LIEN AND SECURITY INTEREST:** To secure Tenant's performance under this lease, Tenant grants to Landlord a lien and security interest against all of Tenant's nonexempt personal property that is in the leased premises or on the Property. This lease is a security agreement for the purposes of the Uniform Commercial Code. Landlord may file a financing statement to perfect Landlord's security interest under the Uniform Commercial Code.

**24. ASSIGNMENT AND SUBLETTING:** Landlord may assign this lease to any subsequent owner of the Property. Tenant may not assign this lease or sublet any part of the leased premises without Landlord's written consent. An assignment of this lease or subletting of the leased premises without Landlord's written consent is voidable by Landlord. If Tenant assigns this lease or sublets any part of the leased premises, Tenant will remain liable for all of Tenant's obligations under this lease regardless if the assignment or sublease is made with or without the consent of Landlord.

**25. RELOCATION:**

A. By providing Tenant with not less than 90 days advanced written notice, Landlord may require Tenant to relocate to another location in the Property, provided that the other location is equal in size or larger than the leased premises then occupied by Tenant and contains similar leasehold improvements. Landlord will pay Tenant's reasonable out-of-pocket moving expenses for moving to the other location. "Moving expenses" means reasonable expenses incurred by Tenant payable to professional movers, utility companies for connection and disconnection fees, wiring companies for connecting and disconnecting Tenant's office equipment required by the relocation, and printing companies for reprinting Tenant's stationary, business cards, and marketing materials containing Tenant's address. A relocation of Tenant will not change or affect any other provision of this lease that is then in effect, including rent and reimbursement amounts, except that the description of the suite or unit number will automatically be amended.

B. Landlord may not require Tenant to relocate to another location in the Property without Tenant's prior consent. *if tenant is not in default.*

**26. SUBORDINATION:**

A. This lease and Tenant's leasehold interest are and will be subject, subordinate, and inferior to:  
(1) any lien, encumbrance, or ground lease now or hereafter placed on the leased premises or the Property that Landlord authorizes;  
(2) all advances made under any such lien, encumbrance, or ground lease;  
(3) the interest payable on any such lien or encumbrance;  
(4) any and all renewals and extensions of any such lien, encumbrance, or ground lease;  
(5) any restrictive covenant affecting the leased premises or the Property; and  
(6) the rights of any owners' association affecting the leased premises or Property.

B. Tenant must, on demand, execute a subordination, attornment, and non-disturbance agreement that Landlord may request that Tenant execute, provided that such agreement is made on the condition that this lease and Tenant's rights under this lease are recognized by the lien-holder.

**27. ESTOPPEL CERTIFICATES AND FINANCIAL INFORMATION:**

A. Within 10 days after receipt of a written request from Landlord, Tenant will execute and deliver to Landlord an estoppel certificate that identifies the terms and conditions of this lease.

**28. CASUALTY LOSS:**

- A. Tenant must immediately notify Landlord of any casualty loss in the leased premises. Within 20 days after receipt of Tenant's notice of a casualty loss, Landlord will notify Tenant if the leased premises are less than or more than 50% unusable, on a per square foot basis, and if Landlord can substantially restore the leased premises within 120 days after Tenant notifies Landlord of the casualty loss.
- B. If the leased premises are less than 50% unusable and Landlord can substantially restore the leased premises within 120 days after Tenant notifies Landlord of the casualty, Landlord will restore the leased premises to substantially the same condition as before the casualty. If Landlord fails to substantially restore within the time required, Tenant may terminate this lease.
- C. If the leased premises are more than 50% unusable and Landlord can substantially restore the leased premises within 120 days after Tenant notifies Landlord of the casualty, Landlord may: (1) terminate this lease; or (2) restore the leased premises to substantially the same condition as before the casualty. If Landlord chooses to restore and does not substantially restore the leased premises within the time required, Tenant may terminate this lease.
- D. If Landlord notifies Tenant that Landlord cannot substantially restore the leased premises within 120 days after Tenant notifies Landlord of the casualty loss, Landlord may: (1) choose not to restore and terminate this lease; or (2) choose to restore, notify Tenant of the estimated time to restore, and give Tenant the option to terminate this lease by notifying Landlord within 10 days.
- E. If this lease does not terminate because of a casualty loss, rent will be reduced from the date Tenant notifies Landlord of the casualty loss to the date the leased premises are substantially restored by an amount proportionate to the extent the leased premises are unusable.

**29. CONDEMNATION:** If after a condemnation or purchase in lieu of condemnation the leased premises are totally unusable for the purposes stated in this lease, this lease will terminate. If after a condemnation or purchase in lieu of condemnation the leased premises or Property are partially unusable for the purposes of this lease, this lease will continue and rent will be reduced in an amount proportionate to the extent the leased premises are unusable. Any condemnation award or proceeds in lieu of condemnation are the property of Landlord and Tenant has no claim to such proceeds or award. Tenant may seek compensation from the condemning authority for its moving expenses and damages to Tenant's personal property.

**30. ATTORNEY'S FEES:** Any person who is a prevailing party in any legal proceeding brought under or related to the transaction described in this lease is entitled to recover prejudgment interest, reasonable attorney's fees, and all other costs of litigation from the nonprevailing party.

- A. Tenant's statements in this lease and any application for rental are material representations relied upon by Landlord. If Tenant makes any misrepresentation in this lease or in any application for rental, Tenant is in default.

Cook Brothers Rentals

Re: Upshur County- Texas Torts Claim Act & Additional Insured Request

As a political subdivision of Texas, Upshur County has governmental immunity. The state legislature created the Texas Tort Claims Act (the Act). The Act waived the doctrine of governmental immunity for certain occurrences. In those areas where it allowed governmental entities to become liable, the Act provided for monetary limitations. Section 101.023 of the Act sets maximum damage limits on liability for actions brought under the Act.

The limits stated in the Act are:

For a unit of local government, other than municipalities, liability is limited to \$100,000 for each person and \$300,000 for each single occurrence for bodily injury or death and \$100,000 for each single occurrence for injury to or destruction of property.

Please also note Upshur County participates in a governmental risk pool and since Cook Brothers Rentals is not a political subdivision we are not able to include Cook Brothers Rentals as an additional insured
